“ Sorry to hear of Ada's passing. I remember our times as neighbors and our parents waiting up for us to get home from the skating rink. What a sweet spirit! She also helped me through some rough patches when we were young mamas and encouraged me to make some changes for my sons and myself. Thoughts and prayers for all those grieving her loss. “ *I am Ada's niece by marriage but she was always so kind to me. I will remember her coming to my home to visit with me and Tim when we first married along with Tim's grandma, Midge. Had alot of laughs. My heart aches for the family. Hope you find some piece in the arms of each other. Love you all. Brenda Brooks*
