“ Alex met me and my horse BLU. BLU needed a new family and Alex immediately made her part of his family. Alex hopped right on her and made me feel that Dilliner PA was surely her new home. A treasured memory. My prayers are sent to his family.

“ Alex. Man I dont know where to start. Your goofy as hell(: and never a dull moment around you. You and your brother would always stop by our house just to bullshit. Or show off the new whips. We just seen you a few days before you had become an angel . And the last time Tyler seen you. Your last words were tell my brother to get ahold of me. And all the times shyann would pick on you for thinking I was cute 🤔🤔 your face get red. Haha good times we all had. Gone but never forgotten. Rest Easy ❤️
