“ *To The Family,  
I went to school with Anna Mae and also my Grandparents lived down the hill from where she was lived. My brothers and I played and spent time with your family growing up. I was so sorry to hear of your loss of a wonderful person. My heart goes out to you and you will be in my prayers. Hold close the memories and special times shared with all. As children of God we know she is in a better place and one day we will all be together again. Keeping you in daily prayer.*

“ *Even though we only knew each other for only 12 years you was my best friend. You always knew what to say to make me smile and feel loved. You was so much more to me than a wife who loved me unconditionally through the good and the bad. You was the best wife; mom; daughter; sister and friend and nobody could ever take that away from you. I know I will miss you very much and so will all the people who you have ever touched during your lifetime. I know you are in a better place and are no longer in pain. I Love You and Miss You. May you have everlasting Peace and I hope someday we will see each other up in heaven. Muah!*
