“ *So sorry to hear about Annabelle's passing. I enjoyed her bits of wisdom when I delivered meds to her and Harry. She was always kind and had a pleasant personality. She and Harry always had an interesting story to tell. We hope your great memories of Annabelle give you comfort.*

“ *There are so many things left to say at a time like this. But the memories are there for us who will miss you greatly. Those of our kids and grandkids trying to outsmart us. Living beside us and becoming a part of our own families. Joe and Jim’s friendship that could drive you crazy sometimes but end laughing it off because tomorrow would be some other damn nuisance they would come up with. I will miss you my friend, love Jo*
