“ I “met” Annie while searching Chemo Curls on Instagram while fighting my Stage III Metastatic Breast cancer diagnosis. In the short time we communicated, I realized what a strong woman I had found! Her words and pics in her posts touched me beyond words as she had been fighting far longer than me - I was a newbie!! I am so honored to have “known” her and I already miss her positive posts! I am very grateful to have made a short-term but powerful and positive connection! Rest peacefully cancer warrior!
