“ To the Paoli Family, my condolences go out to you. When I saw this tears filled my eyes as I remember as a young child going with my Dad to get his hair cut and Tony was always the nicest person. He always had a smile on his face. He was the same way when you would see him at mass or just pass him on the street. Any time I would go outside my insurance office and see him he would speak and ask about the family.. Your husband and father was an amazing person. God Bless him and his family. Tony, see you again my friend.

“ *Mary and family, please accept my sincere condolences for the loss of your husband, Father and Grandfather. Tony was such a wonderful man, he always gave me good advice. My cousin and I used to bug the heck out of him when he didn't have any customers. Then one time Denise and I went up and ask for this certain haircut, he gave it to us and it looked great. I was so rotten there was a pay phone beside the old steps on the train station platform, and I could see people going up the street, and we would catch Tony, and some of our other friends they couldn't figure out how we knew where they were. I have all kind of stories and memories of what a great guy he was. He was also a great friend to my big brother Willie. I pray GOD will wrap his loving arms around you and comfort you all. GOD BLESS!!*

“ I was young when I first met Tony, but it was as though I already knew him. Not only because of my mom's stories, but here was this strong, genuine man who just made you feel at home: my cousin. I will always cherish his attempts at speaking dialect (Vallelonghese) with my mom over the phone and wanting to connect to his past. Mary, Andrea, Lynda and Brad...may you find strength and comfort in the memories. You will be missed, Tony.
