

Arthur Graham Kenneweg

January 12, 1929 - September 11, 2020

Graham Kenneweg passed away peacefully on September 11, 2020 at the age of 91 after a brief illness. A long-time resident of Morgantown, Graham was born on January 12th, 1929 in McDonald, Pennsylvania to Arthur and Gladys Kenneweg.

After graduating from McDonald High School in 1946, Graham served in the Air Force and attended West Virginia Wesleyan College, where he pledged in the first new member class of the Delta Gamma chapter of Theta Chi Fraternity. After college, Graham went on to work for Allied Chemical Corporation until his retirement in 1982. However, Theta Chi always remained the focus of his attention. Graham served the Fraternity in a number of positions, including President of the Delta Gamma chapter's board of directors. Over his nearly seventy years of service to Theta Chi, Graham received numerous awards, including the Theta Chi Fraternity's Citation of Honor, two George T. Kilavos Alumni Awards, the Earl D. Rhodes Theta Chi for Life Award, and the Theta Chi Distinguished Service Award.

At an early age, Graham developed a love for tennis on the clay tennis court behind his parents' home. He remained an avid tennis player throughout his life.

His work for Allied Chemical ignited a passion for unique and antique

glassware, and Graham continued to collect and enjoy antique glassware his whole life.

Graham was a true gentleman and a people person. He had an incredible ability to remember names. Graham could even recall names of people he had only met once long ago. We often joked that there probably wasn't a town in America where Graham didn't know somebody.

Honoring his request, no memorial service will be held. Memorial donations can be made to the Monongalia County Humane Society or to the Theta Chi Kenneweg Scholarship Fund: West Virginia Wesleyan College Advancement Office 59 College Ave. Buckhannon, WV 26201

Arrangements are in the care of the Richard R. Herod Funeral Home, Point Marion, PA (724-725-5245).

KI

“ So very sorry for your loss 🙏 Graham was a dear friend of my dad, Fred Wyant. They were so much fun to be around! I had the privilege of being with Graham and my dad on a few occasions and my husband and son really enjoyed his company as well. What a cool guy he was. I'm sure there will b a void in my dads life and he sends heartfelt condolences to your family.
