“ *Dear Bonnie and Wayne and family:
We are remembering you in prayer during this time of your mother going to her heavenly home. But wonderful family memories are a beautiful gift from the Lord that death can never take away. Mothers in most families seem to be the hub in the wheel around which the rest of the family gathers. She is the one that holds the family together by her love for her children. Fathers are a very important part also. But how well I remember a TV program so many years ago, that always said, "most of all, I remember Momma." So during this time of family togetherness and comforting one another, allow those wonderful memories of your mother to bless your heart. And also the comforting words of our Lord Jesus who said in St. John 14:27, "My peace I give unto you.....let not your heart be troubled, neither let it be afraid."
Love and Prayers for you Bonnie & Wayne and your family. Allen & Jeanne Donham.*
