“ *I am so incredibly lucky to be her great granddaughter. She has filled my heart with unimaginable amounts of love and happiness that will stay with me forever. Always creating smiles and bringing light to every room. Offering delicious treats at every opportunity. She believed in me every step of the way. Was always a shoulder to lean on, a hand to hold, and a little nudge when needed. And now, I will spend every day with her as my sweet angel. Until we hug again, I love you, my beautiful GG 🧡*
