I'm sorry to hear of Bev's passing. I've know her for many years. She was such a wonderful person. Compassionate, kind, and dependable. I don't get out very often so I didn't get to see her, and I'm ashamed to say I didn't have her phone number, but I'm not good with calling people anyway. But I will never forget Bev and our years in school and our friendship> May GOD comfort you all and keep you in his loving care. GOD BLESS!!
