“ Well Pop’s

You’ve lived a great life. One to be very proud of. As your son, I hope I’ve learned the lessons you were trying to teach me. I hope I’ve made you proud and greatly appreciate the forgiveness you showed me when I failed you. You helped me become the man I am today and with God’s help, I’ll be remembered with the same respect and character that you are. The mechanical skills you taught me are used nearly every day of my life. The integrity, honor, and legacy you bestowed on me, I pray will always be the cornerstone of my life. You showed me the way to live by living it, not just telling me about it.

*I love you Dad and tell Mom & Brenda hello & we’ll see them soon.

My husband, Paul, and I graduated with Danny from MMHS in 1954. Paul and Danny remained very good friends thru out the years. We visited them many times in Florida. Even parked our Motor Home in Danny and Janice's yard a few times. Danny was always so kind and generous and helpful. Made a trip to Ohio 1 summer to help Paul work on a large tractor. Blessings to his family. Sorry I will not be able to attend the service. Wretha Haines.

Our families have been deep friends for many years in the Ocala, Florida, area and made beautiful music together in many venues. Chuck Miller Family, my family, and Dan Long Family have worshipped God in many church settings and remained dear friends even through the death of Brenda and Janice. Dan Sr. Has always had such a sweet spirit and never failed to greet us with smiles and jokes. We love him and know Heaven is sweeter with him there. Darlene and Chuck Miller
