“ *I'm retired now from the MBRCC but I worked with Dave for many years. He was such a good guy. Always willing to do whatever needed to be done. He had a great sense of humor and always ready with a smile and laugh.*

I'm so sorry for your sadness. He always talked about his family . Know that I'm thinking of you all and remembering you in my prayers.

“ *I worked with Dave for many years in the BMT program. He was always ready to help and always had an upbeat positive attitude. He often went above and beyond his technical duties to help the patients and staff.*
