“ *Norm and I have so many wonderful memories of spending time with Dottie and Delmar in Cub Scouts and Little League. These two were the most dedicated people to these organizations that I've ever seen. They were so dedicated to all the kids, and their fundraising efforts were above and beyond the call of duty. Delmar's pride and joy was his two sons, Heath and Ty. He would do anything for those two even though they sometimes pushed the limit with him m. I can still hear his voice talking calmly to them and laughing. What a dad!! Of course, the love of his life was his wife, Dottie. Those two were made for each other. Norm and I are so sorry for the loss of such a kind, caring human being. 😞*
