“*Mrs. Wood has been my neighbor for my entire life. Always greeting me with a friendly wave from across the street or calling out to chat when she stopped to collect her mail. We’ve shared many summer afternoons catching up on the porch or sitting on the wall, sharing laughs along the way. I will truly miss seeing her. She was a wonderful woman, and her presence will be deeply missed. Our thoughts and prayers are with the family during this time.* 🙏

“*I was so sorry to hear about Dolores passing away. She and I sent Christmas cards to each other for years. My mother Julia Barbara Drop Piner (Blanche) was her Aunt. She passed away in 1999. I have so many fond memories of Uncle Andy and Aunt Anna. Please accept my sincere condolences on your loss.* ❤️

“*Aunt Dolores, you were truly one of a kind—someone whose warmth and love filled every room, and whose strawberry pies made every visit feel like coming home. Your laughter was infectious, and your yodels were pure joy. The memories of your kindness, wisdom, and the special ways you made each of us feel loved will never fade.*

I will always cherish the moments we shared—and the quiet strength you brought to our family. Though you have left this world, your memory lives on in all of us. Missing you deeply, but holding your memory close—today and always.

I love you Aunt Dolores, So much.
