Jeannie and I had been friends for many years, I knew most of the family, but Jeannie was my age. We lost touch after high school, but found each other again a couple years ago. We had been exchanging messages about our children and grandchildren and how much we loved them and how great they were. She certainly was proud of all of them, as any Grandmother would be, they were her pride and joy. She was always a trooper, she never seemed to give up on anything. I'm going to miss her texts and hearing from her, she was a wonderful person and I will miss her. I pray GOD will wrap his arms around you and bring you comfort and peace, knowing your Mother is with the LORD, your Father and the rest of her family. GOD BLESS!!
