“ I’m not sure how this started, but ever since I was little, Pap and I had this silly tradition on the phone. Whenever we’d ask each other how we were doing, instead of saying “peachy,” we’d come up with a new fruit — “appley,” “grapey,” and so on. Even now, at 31, he was still always “grapey.” It’s one of my favorite memories, and I’ll hold it close forever. I love you, Pap ❤️

“ Rest in peace Dear Gansor, We worked together for several years as rock dust motorman at Fed#2mine. My wife and I enjoyed the fund raisers that Gansor worked at for the Bobtown Rod and Gun Club. I have many memories of him. He gave me his wifes receipe for Pierogies. And to this day my wife has never made them, she said that's to much work. Sleep well my friend until we meet again. Our deepest Condolences, Doug and Pam Korzun
