“ *It is with great sadness to learn of Frank’s passing. My deepest sympathy and condolences for his family. He and I have been friends since we were young teenagers. We saw Led Zeppelin together back in 73 when Robert Plant waved out his limousine window at us, while on our way to three rivers stadium to their concert. How that made our night. We always talked about the event.*

*We have remained good friends all these years. I will greatly miss my friend. RIP my friend. I’ll see you again.*

“ *1 file added to the album*

Never to be forgotten,  
Are memories we hold in store,  
Where we meet once again,  
Those that have gone before,  
Never to be forgotten,  
The ones from Earth's ties set free,  
Called to the fruit of God's harvest,  
For all eternity,  
A Husband, Wife, Father, Mother,  
Awaiting us that remain,  
Daughter, Son, Sister, Brother,  
Knowing that death is gain.
