“ *To Uncle Bob, Shari, Bobby, and family,*

I'm so sorry that you lost your beloved Gloria. I know it's a very difficult time, and I hope you can be together and find comfort.

I have fond memories of the times we met in West Virginia and even back to visits to Tucson when I was a kid. It's nice to think about.

You all are in our thoughts.

“ *Dear Bob, Shari, and family,*

I remember when we came out to see you all and we all were sitting at the table and telling joke and laughing, I remember some of the jokes and they still make me laugh. I'm so sorry for your loss and you are in my thoughts and prayers.

“ Dear Bob, Shari and family, Bobby and family,
My heart is aching. I have had so many memories flooding my mind
in the past several
months about my baby sister ... she loved our bicycle as much as I
did (the three of us shared a two-wheeler;) the boys on McKinley
Hill yelling for her to bring her ball glove, bat and baseball out to the
ball field; the summer she did cartwheels EVERYWHERE ...
she did not walk ... upstairs and down, drying the dishes and putting
them away across the kitchen! I remember her and Judy going on
dates - they were best friends and did everything together. The
three of us went to the same prom once - I had already graduated
but wanted to go since they were going ... the before and after
pictures of us dressing are wonderful. Later in life watching her with
her sweet children - she was one of them! Our late night visits and
all night talks ... the fun we had playing Scrabble
online ... Gloria stomping her foot and me and saying "no, you are
not!" when we were
going to walk across the road to the restaurant at our little family
reunion. I miss her
so very much ...this isn't the way life was supposed to happen. But I
know you are with mommie, daddy and Sonny. Rest in peace.
Sincere love and prayers to you, dear family. Natalie

“ Dear Uncle Bob, Shari, Bobby and family,

You have our deepest condolences! I don't have words to tell you how sad David and I are at your loss. I always felt I had a connection to Aunt Gloria since our birthdays were so close - just 5 days apart.

You never quite get over losing a parent and them not being there, but it does get easier day by day. I always feel that my Dad is watching over me. So I know Aunt Gloria will be watching over you.

We will definitely be thinking about you and praying for you to find peace. We love you all so much.

With love and sympathy, David and Melinda Caballero

“ So many years have passed since our High School days. Where did they go. It's was a blessing to learn at your memorial that you made the best of those years with Bob, Bob Jr. and Sherri and the Grandchildren. Your love for all of God's outdoor creations was special. You and your family had a life in your 74 years that many will never experience; God got a "Special Angel."

May God bless your family, friends, and all those that loved you and miss you.

“ *Uncle Bob, Shari, Bobby and families, my thoughts are with your today on this very difficult day. Aunt Gloria was such a sweet and lovely lady. I can still see her smile. Love to all of you. XOXO -- (the only way to end this note because that is the way Aunt Gloria always signed her cards)*

“ *Although I extend my deepest sympathies to Gloria's family and friends for their loss; I am thankful that Gloria is no longer in pain or suffering and has found her way to the loving embrace of our Father in Heaven.*

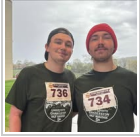

It was a pleasure taking care of Gloria and helping her to see as clearly as possible these past several months. I'll never forget the day I gave Gloria her new glasses and she was able to see better than we had hoped. Goosebumps ran up and down my arms and my heart was full of joy for her.

Bob, My thoughts have been with you and Gloria on so many occasions since April. I hope that my prayers gave you and your family comfort. You were her champion and it was clear to everyone that she and her needs were your top priority. Rest and reflect on the life you had together and let your heart smile.

“ *I hope you remember me. Your family touched me greatly. I was the SICU nurse who took care of Gloria when she decided to go with palliative care. I spent two wonderful days caring for her and her loving husband. I also was able to meet Sheri the day we transferred her to oncology floor. My thoughts have been with her since then. Now my thoughts and prayers are with you*

“ *Dear Gloria, sister of mine. How very much I will miss you. I am so grateful we all met in Morgantown a few years ago, and took pictures,talked and laughed and of course had something to eat. Our times on McKinley Hill are so precious. Good ole' McKinley Hill. We had so many good play days, and not an electronic in sight. In those days we loved "old" dresses and "old" shoes. Of course we were just lovely in our long dresses and high heels, parading around McKinley Hill, with Karen and Jeannie. If I gone on and I could, because my memories are many and all are wonderful, I will cry and cry. My heart is broken and so very sad. I love you "little sister". God Be With You*
