“ Thanks pap for being there for me when I busted my lip and you and Kate were the first ones there. You would always call me shotgun or shotgun brains. We would sit by the furnace and do whatever it was satisfying watching the wood burn. The one thing I remember you would always pull out your wallet and tell me to blow the moss and one of your eyes would pop out. Pap I miss you so much, but you were in so much pain. Thanks for there being for me again.

Btw I put flowers on your grave so I made you mad for making me have a big nose love you pap.

“ I won't know where to start! I have so many memories Uncle Jack of you.. You we're the best Uncle.. I will always remember coming up and sitting for hours at your house with mom and grandma Eichelberger.. We started off sitting at the kitchen table and then into the living room.. You always wanted to feed us and give us goodies.. I always loved when Aunt Kate made her homemade pizza.. I loved coming up at Christmas time to see the living room all decorated it was always beautiful.. You and Aunt Kate always made sure your grandkids had a good Christmas.. I know how much u loved Aunt Kate and all your kids and grandkids.. You will be missed so much.. Until we meet again Uncle Jake!! Love you!!!

“ I am really gonna miss you Jake. So many times I leaned on you and Kate for support and you were always there for me. When my mom was dying you was always there to say "take my car to your moms or don't worry about Cameron I'll take care of him" You were a great pap to my kids and my grandkids. I'll miss your laugh and you setting by the kitchen window. I am so glad I got to see you Thursday night and we had lots of laughs and of course you were feeding me trying to make me fatter. Love you and miss you forever. Brenda

Love you Bren and Kels. And tell Tim i love him too! So sorry! He was a good man! Even though their house always kind of creeped me out, lol, he always made me feel welcomed and like family too! They just don't make them like Jake and Pudge anymore
