“Pap Pap Joe,  
I'm so very blessed I got to spend the time I did with you! All the times at the auction, working on your farm, and shooting your guns, boy did we have a great time. You always put a smile on my face! I have wonderful memories of us that will touch my heart forever! You was an amazing man, great Grandfather, and such an inspiration to others. You touched so many lives throughout yours. You might be gone from our sights, but you are forever in our hearts. Until we meet again. ❤️
