“ I have known Helen for many years living in the same small town, very respectable lady, beautiful flower gardens, beautiful home. I had the honor of serving her lunch tray to her about two weeks ago and after not seeing her for quite sometime she immediately recognized me as "Buds Daughter" as most people do, we chatted for a few minutes, it was so nice to talk with her during her last days. My thoughts are forever with you and your family, may you breath easy in Heaven...❤️
