“ Jimmy Doodle, (my cousin/NEPHEW) Jimmy Doodle, You were named after a strong man. We just added the Doodle part. You always took care of your little cousin in school, Kathy could barely open the door, so you always opened & held it for her. When we would visit with Auntie it would b so funny, there would b you 15 pounds of rough tough boy and lying next to you Kathy 10 pounds of light-weight feathers. I wish we would have though to take pictures back then, but we didn't take cameras with us. Aunt Suzie is really going to miss you. I pray GOD will BLESS and Protect your sons & Family!!

“ Jim was my son in law but more than that. He and I always were control people, lol He wanted the cars, mine included, backed into the driveway. I preferred to park mine, pulled into the driveway. He wanted the Kurig, turned off and the capsule, removed immediately after your cup of coffee, I never removed the coffee until time for a new cup. He was my helper, he cut the grass, he cleaned the pool, he ran the sweeper. He even dusted our light bulbs. I have two daughters but Jim was like my son. He had the biggest heart! We both suffer from a little OCD, lol. He gave me the greatest gift when he gave me Jaden. Bryndin and Brody. I love my grandchildren and he always told that at my house, grandchildren were number 1. I had many rules of grandchildren at my house, really there were none! Jim's transfer to Heaven leaves a giant hole in my heart.

“ *My childhood friend, the memories I have ! From skateboarding to riding bikes and playing hid and go see until the curfew whistle blew. Tuck you were one of a kind. If only childhood memories lasted forever, as well as the carefree world we once lived in. My favorite memory was the time we all were digging up my mother's garden. She gave us all some change, and we all went to the candy store. We sat and ate candy like there wasn't a care in the world. Fly high with the angels Tuck! Your smile was infectious! Thoughts and prayers go out to your family at this difficult time.*
