“ *I had the pleasure of spending time w/Janet on her trips to Florida to see Sheri. My son absolutely adored her and my kids lovingly referred to her as Aunt Janet. She was a dear woman with a great sense of humor and so sweet. She will certainly be missed!!!*

“ Janet "Sebulsky" Tillery

*It's 4:30 in the morning, and Janet, "you're in my head!"
I should be sleeping now quite peacefully, but I'm writing about you
instead!*

*I guess, my friend we're all just missing you, thoughts of you filling
my heart.*

*All of us can agree on this dear friend, that you truly, truly stood
apart!*

*There was no holding back when you had a thought, you'd say what
was on your mind.*

*And you'd explain it in your own way, when the words were hard to
find!*

*Linda Kuis mentioned conversations from you, and how lucky can I
be.*

*I checked and I have every last one, that was written between you
and me!*

*We covered some interesting points, and you took me way, way
back.*

*To some things I chose maybe to forget, but you reminded me,
"they're a matter of fact!"*

*I can't wait now to read our stories, and the awesome things that we
shared.*

*You were open and honest and you shared with me, and only
because you cared!*

*Your memory, it really impressed me, for so many things I'd forgot!
But you refreshed my mind to so much, whether I wanted to
remember or not!*

*I got to share some stories with my sisters, wanted to share with my
brothers too.*

*But I couldn't and I pray it's simply because, they're now spending
time with you!*

*You fought such a valiant fight my friend, but it wasn't meant to be.
Our FATHER, He chose to take you home, a humbling reality!
The Class Reunion you had planned to attend, don't worry I'm sure
we'll speak.*

*Of some things that did pertain to you, and I'm sure they'll be
unique!*

*How blessed we were to know you, your life no mystery.
When it came to you, nothing hidden there, we just got what we
could see!*

*You filled your days with laughter and truly loved your life.
As a mom, a sister, an aunt, a cousin and to one, a loving wife!*

*So, we'll miss you now my dear friend, but I know from deep within.
That if we all live according to HIS WILL, we'll get to see you again!
Now, in the coming days when we think of you, and realize that
you're gone.*

*There'll be a spirit up in HEAVEN, that will "KEEP ON KEEPIN'
ON!!!"*

"Truly rest in peace our friend!"

“ *My Dearest Janet,
We have been through so much together, that it's not believable for me to know you're gone..I know you are with your family and they greeted you with open arms. You have no pain, and that's a good thing, you left it with us. I'm so sorry I won't be there for your final day. I will miss you so very much, but will hold you close within my heart and mind, you will be forever with me. I know Danny and Tina know how much you loved them, if not I will remind them.. Just remember what we agreed upon, first one that got to Heaven would put the coffee on. Whenever I hear ISLANDS IN THE STREAM by Dolly Parton and Kenny Rodgers, I will sing along just like you were with me...We sang that song so many times for the tourists in Florida. So many years, so many memories.
I love you, girl,
Janice*

“ Janet, my sis, my best friend ever, you and I have been through alot together with the kids growing up, but we always managed to keep it together. I will remember all the fun times we had and keep those memories close to me. I keep thinking this is a bad dream and I will wake up and you will call me, BUT...it won't happen now! I love you sis and I miss you terribly! You can rest now, pain free, and don't worry, I will look after Tina, I promised you that! love you so much, sis...rest in peace! sheri

“ Dear Janet.... It was so nice re-connecting after all these years. We fit a lot of memories in a short period of time recently. I am so glad I got to talk to you on the phone recently, it means so much to me. I will miss you and your humor and spirit. Please kiss my mom for me and "keep on dancing"... I will think of you every time I hear an oldie on the radio.
