“ I wish all of you strength now and in to the time to come. I was unaware John was not doing well. I have enjoyed seeing him occasionally over the past years. Many years ago we spent significant time together in Point Marion and the surrounding area. He was always a good guy and fun to be with. I will carry many good memories forward. Sincerely, Kevin Clemmer

“ Norm and I cannot express how much we enjoyed John DeLuca. He was a friend and someone who helped us many times. He was interested in the community and enjoyed watching the elementary students play their youth basketball games. John was always great to talk with. When my niece, Elissa Spiker, died, John sat at the funeral home every night. He said he liked talking with her when he worked on her car. John was always friendly and happy when we saw him. We will miss him very much. Rest In Peace, Johnny 💕😞
