“ 🙏 R.I.P. I remember you at your Mom's Salon when we were kids and I was there with my Mom getting her hair done by Josephine! Then later in the late 70's we ran into each other and became friends again. Sorry to Joey's family for his loss! 🙏

“ *The bond Joe and I shared for 30 years is unlike any other. He was an amazing friend, an exceptional human. Always positive, never complained. He looked for the best in everyone. Love was just a word to me until he gave it a meaning by showing his love to his children. He was the "Best part of me". I'm going to miss our daily chats, his up beat personality and how he made me feel safe and secure. I am also grateful to all the Gresko family who always accepted me and included me in the care of Joe. My life is so much richer from knowing all of you. May my friend rest in peace and the Gresko family find solitude that he is with God and no more hospitals. With gratitude and sorrow. Debbie Zabroski*
