“ I just left a quick note when I found out, but there are so many many good memories with Ms. Joyce. When I went through some stuff at home, she always opened up her home to me and my daughter. We went to the beach, ride to PA together, went camping and above ALL she was a mother that NEVER gave up on her boys.

“ I loved her very much at one point . Gabriel Perry is her only grandchild and no body bothered to find him and tell him . My heart is broke / I have to tell him that his Nena Joyce died . She was as a wonderful grandmother when Gabriel was little . She snuggled close to him when he spent the night , she bought his favorite treats and ice cream . She played in the back yard and filled the pool for him . She spoiled him on Christmas and Easter and his birthdays. Gabriel and Buca were so much to her at one point . She taught me how to bake and how to take care of my children. I wish she would have reached out to me . Horrible things happened and I forgive her and I pray that my sons Gabriel and James can remember her with love. I am in NC but can someone reach out to me and let me know if there is a memorial or something .
