“ *I'm very sorry to hear.
I knew her when she used to live in the Sadler apts. Her and my
mom could talk up a storm.*

“ *I have this feeling there's one more star up in the sky tonight. And
even though it's far away, its brightness and warmth still reach us
here to make the night a little less dark.
With My Deepest Sympathy,
Roberta & Frank Owens
(I would have come, but I just got out of the hospital yesterday.)*
