“ To the family of Larry, I am deeply sorry for your loss. Please know that he was truly loved by so many and it was a shocking blow to us all. Larry was my dear friend for the last 15 years. He and I met senior year of high school and stayed close after I moved away. He was caring and warm, and always there when I needed him. I am so sorry I won't be able to be there in person to pay my respects but I pray that you have comfort and peace.

Larry I will always love you and miss you every day until we meet again.
