“ Dear Lois, Just wanted to send along my deepest thoughts and sympathy to you at this time. Asking our Lord to be very near and comforting to your life and heart...for He is the only one who can fill the void and pain at the time of losing a husband. God bless each and everyone of you is my prayer. Many good memories of you and your family when we were young people. You will be in my prayers. I know how hard it is...I never quit missing by wonderful husband and friend. Just so thankful we will see them again someday !!!
