“ *Bob and family,*

*I sincerely wish my condolences for your loss. You and Linda helped me getting my life started and I will always be indebted. I will never forget the good times, like when Linda made us squirrel before leaving for DC. Truly missed and my prayers are with you.*

“ *Very sad at Linda's passing. I have alot of nice memories of summer visits; swimming, grabbing and running with whatever snacks Aunt Wheat had laid out for us.*

*Linda and Bob were also good friends when Bob took Phil under his wing and taught him how to work construction. So, yes, friends and first cousins leave terrific memories and a scar on the heart when they leave.*

*My prayers are with all of you.*
