“ *Brenda & family:*

Please accept my deepest sympathy. I can still see the 2 of you in my dad's room at Rolling Meadows, laughing and telling jokes. He (Joe Headlee) dearly loved you both! Her contagious laugh will be missed.

I am in Florida and could not make the services.

“ To the Family and Friends of my dear beloved friend Linda Smithley. I loved her like a Sister and wished I had spent more time with her. She was a great loving person with a big heart and loved her Family more than anything. She made it a pleasure to go to work when I worked with her. God will take care of her now. You all did your part here and now it is Gods turn to take care of her. Rest in peace my dear friend

“ I am so sorry for your loss. Linda was wonderful to work with. She was caring and compassionate about others. We would get together and laugh about the silliest little things people would do. Her greatest love was her family. She always smiled when she would tell me about something that happened at home. I am honored that I could call her a friend.
