“ *Dear Mammam,  
You have left us, we mourn for our loss but rejoice for you. You were our grandmother, strict, loving and a faith based woman. You showed us by example to seek the Lord and ask him to come into our hearts. We all were very honored and blessed to have such a strong Christian to guide us, we may not all be the same denomination of faith but you showed us their is only one God, and how pleased he must be wuth your work here on earth with all your generations of family...I love you always,until we meet again.
