“ *Just A Thought*

*Thoughts control the way we feel
and what we do each day.
Thoughts can change, but can't be stopped;
thoughts never go away.*

*They can't be seen, they can't be touched,
yet they're something we can share.
Thoughts are a memory, goal or belief;
thoughts are how you care.*

*Thoughts are always present, even in sleep,
creating our dreams at night.
So who can say our thoughts aren't there
when we're no longer in sight?*

*Thoughts, I think, are the heart of the soul
that carry on after death, too.
So share your thoughts with those who've crossed,
they just might be thinking of you!
