“ Peg was such a big part of my life, starting way back when I was very young. She wasn't just my cousin but a big sister to me. I lived with them off and on for several years and spent my summers with the Courtneys. I'll miss her letters and long phone calls, she was always so good at keeping in touch. Her and I shared a big interest in the family history. „My prayers are being lifted for you boys, God bless you. Love you, Bonnie
