*I wish to extend my deepest sympathy to you at this very difficult time. I had the privilege of working with Marian at the Upshur County Board of Education Office for several years. She was a sincere and dedicated person in her work and wanted to help make a positive difference in the lives of the students. I also well remember how her face brightened when she spoke of you both and her grandchildren.*

“ Marion and I are friends from Sand Fork both attended Sand Ford school. Marion was the secretary for our alumni association and I am the treasure and we became very close working with that. “ I will always have fond memories of Marion while living in Lorentz. Lots of good times with your mom from sharing our “rug rats” to having dinners at the community building and all the fun 4-h events. Although our lives led us to new locations and new adventures, one never forgets those that had a profound affect on our lives. Your mom will be missed but her memories are in our hearts forever. May God bless you both, Melissa and Becky, and all your family too. Love you. Karen Summers Schrader

“ *Melissa, Becky & families: So very sorry for your loss. We made so many Lorentz memories together. We spent hours talking and she was always fun to be around. She was Mayor (Marion) and I Sheriff (Sharon)!! We were both in Extension Homemakers Club, went to the same Church, took walks & rode bikes together. I'll never forget her laugh. Even though we hadn't seen each other in years, I will miss my friend. My thoughts and prayers are with you.*
