“ Oh Heather...I wish there were some words I could say to ease the pain I know you're feeling. Just know that you, and all those who loved Mark, are in my heart and prayers. If there's anything at all that I can do please don't hesitate to call.

“ I'm so sorry about Mark, I still remember so much about him from when I was little. I hadn't seen him in a very long time, but still remember him and Scott fondly. If there is anything I can do please let me know.

“ I am so very sorry to hear of Mark's death. There is nothing I can think of to say that could ease your pain in any way. I will keep you all in my prayers. If you need anything, or want to talk, let me know, I'll try to help if I am able. May GOD Bless you all.

“ Jackie & Woody,
I am so sorry to hear about Mark. I hadn't seen him in years but he was always a good guy (ok a little rotten!) while I was around your family and in the years I saw him afterwards.
He is now in a much better place and will no longer have to deal with suffering.
You will be in my prayers while you both and your families deal with your loss.
Take care
