“ Aunt Martha there are no words to express how much you are missed and loved . Our hearts are broken yet we all know that you are in heaven rejoicing with Chad and Grace(mom) . And that gives us comfort knowing you are not in any pain. Clarke and i will always keep your memories close to heart. We will look after Uncle skippy as much as he will let us. We love you and until we meet again will miss you ! The stories Clarke tells me of his childhood spent at your house i can understand why your his favorite and i know he held a special place in your heart. We love you RIP
