“ To the Shuppe Family, Please know that we are saddened by Mary's passing. We were out of town and just noticed it in the paper. When Mary would come into our office she would show us some of her dance moves and make us laugh. She enjoyed everything life had to offer. She lived her life to the fullest. She told us that she was going to make it to 100 years...we only wish she had don so. God Bless Your family on your loss. Sincerely, Jim and Barbara Rhoades, Masontown,Pa

“ Mary was the rock of the family. She was always available to give a hug, a swift kick, something to eat, or a place to stay to any and all. If someone needed a shoulder to lean on, she was there to provide it. She did not possess financial wealth, instead she was blessed with human riches of kindness, integrity, compassion and love. She and George raised a wonderful family that she was very proud of. Mary left her mark through the positive effects that she had on those fortunate enough to interact with her. She will be sorely missed and fondly remembered.
