“ Dear Erin and family,

I was saddened to hear about Matthew and very sorry for your loss. I will always remember his little face and red hair when he was in my first grade class. He was always one of my favorites...so smart and kind. I pray that God will see you through this difficult time. My thoughts and prayers are with you.

My fondest memory of Matt were his big hugs. I felt like I was hugging a giant teddy bear! I loved his hugs and pray I will get one when I see him again. His Aunt Karen.
