“ My deepest condolences to Mike’s Family. I was thinking about Mike today, did some searching, and came across his obituary. Not what I was hoping to find. I hope Mike found himself a peaceful spot with some go fishin’!

“ I got to know Mike while he was in Beaver Falls, PA. I helped him with some housing and in return we got to know and hire Mike. I will always remember him as a dear friend. What a small world, when he told me where he was from, I mentioned Lake O’ Woods. I am just sorry we never got to do a little fishin’ together.
