“ My deepest condolences for the loss of your Mom. Some of my best childhood memories are the Sunday afternoons that we would get to spend at Uncle June's and Aunt Mid's farm. I hope that those kind of memories will bring you comfort as they do for me. I can almost hear her saying "how are you honey". The inside joke was there were so many of us Sweder girls, she couldn't keep us straight. Please know that my thoughts and prayers are with all of you in this time of sorrow.
