“ What a wonderful lady. Such a role model for all of us young girls all thru our childhood to young lady's to the women we are now. One of the best mothers,wife,grandmother,friend I've had the pleasure of knowing just like my own mother. All the years of fun and laughter and the shaking of her finger at us girl and all the good food she made for us to eat and all the times she kept our secrets so we didn't get in trouble. I love you dearly and will miss you greatly. Fly with the angels and watch over us forever. Love love
