“ I never lived close to my Grandma Norma. We were usually
separated by 3000 miles. My Grandma loved God with all of her
heart. Her relationship and her dedication to God was amazing. Her
love for her family and all of their accomplishments were always
valued. She may not have told you how amazing you were, but I
can tell you that she told everyone else. This is a woman who stood
by her faith in the toughest of times. Let her be a lesson to us all.
God first and everything else will fall into place. I hope that everyone
can remember the difference she made every day by walking with
the Lord. Amen.

“ *The first time we met was when I was a child at ACS school. She had picked me up from school I believe but she had a grey Chevy nova I think. The heat was blasting on ride home I didn't say anything maybe I was just nervous it was the first time I was staying at my friend Dennys home . But I must've had basketball practice or something and she went out of her way to get me a ride to Cindy and Dennis house. I never Thought but it was a start to a long time friendship and more that I had found . But good family and Norma and Harvey were Very giving and loving to our son and enjoyed the Church and telling everyone about the Lord.. many great memories of many years. She is with The lord God for sure.. I am sorry for your loss as a whole Family....*
