“ *Some of my best childhood memories were spent with Aunt Norma and Uncle Bill. They took care of us like we were their own. I have nothing but love and respect for the whole family. We all have suffered an enormous loss. My prayers and love go out to her children, grand children and great grand children who she dedicated her life to. I know she's rejoicing in heaven with the love of her life Uncle Bill and this brings great comfort. She looked as beautiful in death as she did in life.*

“ Thoughts and prayers are with you Brad and family. Your family opened your house up to us for many years as we either waited on the school bus or waited on our parents to pick us up. Great memories of your mom will live with us forever.
