“ Dear Patty, you were so well known and loved by all who came into contact with you, how much more so your family... You are so missed by all. I am happy you and I got to reconnect since years had passed since we had seen each other. It was nice spending time with you, in NY in Carmichael's, in Bobtown... Just know everytime after our phone conversations I meant it when I would say I loved you... Rest sweet baby, you are no longer in pain, though the hearts of your family and friends are heavy...
