“ I want to thank everyone for their kindness in our family's time of loss. Memories of Patty for me where how much she loved animals. How wonderful she could draw and paint. How she always forgave and how her heart would never stop giving. When I graduated high school, Patty got me a dress, hat, belt, shoes, purse and stockings to wear for graduation. No matter how ill Patty was, if I said I was sick she said would say I'll go to the doctor's with you. The ladies in the apartment building where Patty lived told me that every Christmas, Patty left a gift by everyone's door. I did not know that but I'm not surprised. Just want to say we love you Patty and you will be missed. Your little sister, Car

“ I have some really great memories of Patty. I haven't been around her a lot in the last few years...but she was always good to me and I was proud to be her stepsister. We had a lot of good times when I was a teenager and Patty & Lizzy would come visit. About 5 years ago Patty was at Thanksgiving and I remember her putting a little Indian feather hat on just like my little twins :) She was always a lot of fun and had the best laugh :) RIP Patty. You will be missed. Charles & Mom, Sue, Jordan, Tom/Tim/Carletta you are all in my thoughts & prayers.
