“ I have known you since I was a little girl, we were family - your mom and my mom were best friends. You were a source of love, laughter and comfort until you went to heaven. Rest In Peace my Geeky, I love you forever.

“ I met Pat four-five years ago. He always had a smile on his face. I will miss his stories, as he would tell quite a few when I was at the trailer. RIP Pat. You will be missed.

“ Still can't believe this happened. Pat was one of those family members who could make you smile no matter what was going on. Rest easy Pat. You will surely be missed by many.

“ *Pat and I were neighbors for a few years, and went to school for together as well. He was a sweet guy growing up and we had lots of fun. As we got older he would agitate me a little more, but it was all in good fun. I hadn't seen him in years, but he's a friend I'll never forget. Rest In Peace my Friend. Love and prayers to your family.*
