

Penny E. Jordan

November 11, 1968 - October 8, 2024

Penny E. Jordan, 55, of Smithfield, Pa., passed away Tuesday, October 8, 2024, in the Ruby Memorial Hospital, Morgantown, with her loving family at her side. Born in Uniontown on Nov. 11, 1968, she was a daughter of Reaver (Jordan) Marshall of Smithfield, and the late Kenneth Marshall.

A graduate of Albert Gallatin High School, Penny had formerly worked as a caregiver for her mother. An avid softball player and an extraordinary woman, she was capable of seeing the good in a bad situation, and always found a reason to smile. Penny loved the outdoors and rarely stayed inside. The love that she shared and the smile she showed seemed to light up everyone's life, just like the sun. Among all of her achievements in life, her favorite was being a mother and grandmother. Penny displayed the true meaning of a good person and strong leader every day. She guided all of us in many ways and always found a way to make us feel better. She was our rock and the keystone of our family.

Surviving, in addition to her mother, is her beloved daughter, Ashley McCourt of Smithfield (fiance' Brandon Smith); two granddaughters, Dakota John and Kelly Smith; and a sister, Kathryn Swaney (husband Michael) of Smithfield.

Friends will be received in the Richard R. Herod Funeral Home, Point Marion, on Sunday, from 11 AM to 2:00 PM., the hour of service, with Pastor Aaron

Douthitt officiating. Interment follows in Evergreen Memorial Park, Point Marion. Pa.

Special thanks are extended to her former husband and caregiver, Terry McCourt, for the love, support and friendship that he and Penny shared.

“ Penny and I shared much more than our family. We shared our lives, our childhood, our adolescence, our teens, and our adulthood! She was more than my cousin, she was my bestest friend, my cheerleader and my confidant. We played softball together in hs, and again as adults. We had a bond unmatched by any other. I gave birth to my youngest (Cody) on her birthday, that she already shared with anothee cousin Bobbie Jean. Those two are responsible for bringing the love of my life and my best friend into my life over 26 yrs ago. When we were kids, I used to tease her all the time about being "older" and by how many months, days, minutes, lol, as kids do, haha. And when we became adults and she'd wish me a happy birthday, she'd always tease me by saying "look who's older now"! And I'd always get a good laugh from it. She had a way of lighting up the darkness with her positivity and larger than life smile that alway made you feel better, and gave you the confidence to be your best. I'll love you forever cuz💜 I'm gonna miss you terribly, until we see each other again. RIP
