“ I'm so sorry about Uncle Pete! I have always had fond memories of him. The main thing I remember is when you and him came to visit my Mother and Dad (Andy and Josephine)in Fairmont, WV. He always had stories to tell and was always interested in family and what was going on. Last year you sent me his picture and it is in my bedroom with my mom, dad, and sisters pictures. I do and always will think of you and him. Again I' so so sorry! I know everyone tells you if there is anything I can do, let me know! I do mean it!
