

Robert A. "Bobby" Dils

May 17, 1953 - June 14, 2021

Robert Alan "Bobby" Dils, 75, of Lake Lynn, Pa., died unexpectedly Monday, June 14, 2021, at the Ruby Memorial Hospital in Morgantown. Born in Morgantown on May 17, 1946, he was a son of the late Robert L. and Ruby (Kisinger) Dils.

Bobby loved listening to polkas, and had quite an extensive collection of them. He was an avid baseball fan, and especially of the Los Angeles Dodgers. Bobby's true loves were his lifelong feline companions Baby and Muffy, which he loved and looked after for 18 and 21 years respectively. He was a member of the First Baptist Church of Point Marion.

Surviving is his loving sister and brother-in-law, Donna and Ruben Lomax of Uniontown; and several cousins whose thoughts and prayers for Bobby will always be remembered. His family is especially grateful for Cindy Miller and the staff at Miller's Home Care. The friendship, comfort and companionship that the aides have extended to Bobby greatly enriched his life.

His family will receive friends in the Richard R. Herod Funeral Home, Point Marion, on Thursday from 6 – 8 PM, and again Friday from 11 AM until Noon. Funeral services begin at Noon with Pastor Kathy Griffith officiating. Interment will follow in Evergreen Memorial Park, Point Marion.

“ *Knowing Bobby through his sister, Donna, over the years was a pleasure. He loved baseball and his fur family, Baby and Muffy. I would tease him about his love of the Dodgers baseball team as he lived in Pennsylvania and I thought he should be a Pirates fan. He was Dodgers Blue through and through. Bobby did no harm to anyone his entire life. He was and is a pure spirit. I know you are with the angels, Bobby, with your Mom and Dad and with Baby and Muffy too. Your friend, Paula*

“ It is hard to imagine a world without Bobby. Throughout my childhood, we spent most evenings playing board and card games, baseball, and jarts with extended family. I always brag that I knew how to play poker since I wasn't much more than a toddler thanks to Bobby. In turn, he credited me with learning the questions to pass his driver's test.

In later years, I enjoyed hearing about his nightly calls with my mother. They discussed baseball, old TV shows/movies, and reminisced about the good old days. Bobby had quite the good memory for things he cared about most.

I think the lesson we can all learn from Bobby is to live life to the fullest. Whether it was a trip to Europe with his father, handing out candy at Halloween with his mother, or Donna bringing him a really good meal- Bobby appreciated and savored it all.

Thanks to my coworkers, I was able to leave work to say goodbye to Bobby the evening before he passed. I reminded him of all the family he would get to be with again, including the beloved fur babies.

My mother Nancy, my fur baby Mike, and I will always love and miss him very much.

“ I will miss Bobby greatly. Even with all of his health problems he kept a smile on his face and on anyone around him. He had great memories of his and his Father's travels to Europe and enjoyed telling all of his stories. He loved his westerns and most of all his Polkas. Baby and Muffy were his children and he took such good care of them. His special room was his pride and joy and he loved showing it to everyone. When you talked with Bobby you never got the negative always the positive. I'd like to think he's in heaven riding motorcycles with his Father, dancing Polkas, and joking with his mother. We will really miss him.
